Re: Permit Transfer Documents, Ute/Wino - Indian Queen Mine, S/001/019, Beaver County, Utah

Dear Mr. Sagers:

Thank you for your office visit on January 19, 1996. It was a pleasure to meet with you again and also to meet Mr. Gary Applegate. Enclosed is a copy of the signed and fully executed Transfer of Notice of Intention form for the Ute/Wino - Indian Queen mining operation located in the NW1/4 SW 1/4 of Section 34 and the NE1/4 SE 1/4 of Section 33, Township 26 South, Range 13 West, Beaver County, Utah. This transfer effectively releases you from any further operational or reclamation responsibilities at the mine site.

By copy of this letter, Gary Applegate of Indian Queen Marble, LLC is now recognized as the official owner and operator of the minesite. We will also forward a copy of the fully executed transfer form to Mr. Applegate. Effective January 22, 1996, Gary Applegate assumes all continued mining and reclamation responsibility at the minesite, as required under the Utah Mined Land Reclamation Act, Title 40-8, and its interpretive rules. As soon as the weather cooperates, we will reschedule our postponed onsite visit to assist you and Mr. Applegate in determining how best to reclaim the excess acreage associated with this project.

Thanks once again for the handsome marble spheres. They are a welcome addition to our office minerals collection. Best of luck in your future mining endeavors.

Sincerely,

D. Wayne Hedberg  
Permit Supervisor  
Minerals Regulatory Program
